By signing this Pet Request Form, I acknowledge that I understand the following:

1. Please submit the Pet Request Form along with the Rental Contract
2. The Pet Deposit is \$500 and is due with submission of the Security Deposit 90 days before arrival.
3. A non-refundable \$50 pet fee is charged to cover the cost of additional cleaning after departure.
4. If animal hair is found on furniture or the floors, if there are any scratch marks on the floor or walls, if there is evidence of any picking of furniture by claws, if it is determined that fleas are present in the house, or if there is any damage at all that could be attributed to an animal, then both the pet and security deposits will be withheld until all cleaning and repairs are completed. If charges for this cleaning and repair are less than the total of the pet and security deposit, then a refund for the difference will be provided less a \$100 administrative fee. If the charges exceed the total of these deposits and the administrative fee, then the guest will receive a bill for any additional expenses required to bring the house back to the condition in which it was prior to the rental.
